

Archaeological excavation

Pieve di Pava

San Giovanni d'Asso (SI - Italy)

The excavations are open to archaeological students and research workers at all levels, and to experienced excavators from within Italy and abroad

The 2009 season of work will involve excavation, finds processing and documentation using the latest techniques of digital recording.

Applications, with a brief CV, should be submitted, by 30 April at the latest at pava@lapetlab.it

Participants must obtain insurance against accidents, prevention shoes, comfortable clothing (trousers, hat, water-resistant). Trowel for those who have. Need to bring towels and sleeping bag.
