

The excavations are open to archaeological students and research workers at all levels, and to experienced excavators from within Italy and abroad

University of Siena
Department of Archaeology and History of Arts
Landscape Archaeology and Remote Sensing Lab (LAP&T)

Scientific direction - S. Campana

Archaeological Excavation

Pieve di Pava

San Giovanni d'Asso (Tuscany - Italy)

Applications, with a brief CV, should be submitted, by 30 April
at the latest at pava@lapetlab.it

The 2009 season of work will involve excavation, finds processing
and documentation using the latest techniques of digital recording.

Participants must obtain insurance against accidents, prevention shoes, comfortable
clothing (trousers, hat, water-resistant).

Trowel for those who have. Need to bring towels and sleeping bag.

Session I 7 August - 26 August
Session II 28 August - 16 September
Session III 18 September - 7 October

**The latest date for applications
is 31 July 2011**

The meeting for each session will be on Sunday.
